## PIC CHARGE TO BE REMOVED

For several years, local telephone companies have charged each long distance carrier, including MCI WorldCom(SM), a flat fee for every customer line presubscribed to the carrier. To recover costs associated with these charges, MCI WorldCom implemented a charge known as a Presubscribed Interexchange Carrier Charge or PIC Charge. As a result of a new FCC ruling, local telephone companies have now been directed to stop charging a flat fee for presubscribed lines. MCI WorldCom will no longer charge the PIC Charge to our residential customers in monthly billing periods beginning on or after July 1, 2000.
